## 6. Event rules

The Event will take place on the following routes (detailed route specifications will be provided later in the technical bulletin):

TR100 - A cycling orienteering route approximately 100 km long, with a time limit of 15 hours

TR40 - A cycling orienteering route approximately 40 km long, with a time limit of 12 hours

TP50 - A foot orienteering route approximately 50 km long, with a time limit of 15 hours.

Included in the Polish Orienteering Marathon Cup.

TP25 - A foot orienteering route approximately 25 km long, with a time limit of 12 hours

TP10 - A recreational foot orienteering route approximately 10 km long for families and for beginners. Easy orienteering. Individual or team start (up to 5 people), with a time limit of 6 hours

- If a participant exceeds the time limit, one found control will be deducted for every started 10 minutes of delay. Exceeding the limit by 30 minutes will result in disqualification.

## 7. Classification rules

The classification order is determined by the number of found controls. In the case of an equal number of found controls, the time taken to complete the route will be decisive.

Routes TP50, TP25, TR100, TR40: Individual classification applies, divided into men's and women's categories. Route TP10: Team classification applies, with no category divisions.

The route TP50 is included in the [Polish Cup in Orienteering Marathons](#) with importance coefficient 50.
